## Public Season Pass 2020/2021 Season Pass Refund

Per the Refund Policy for Public Season Passes, Hidden Valley Highlands is offering a pro-rated refund for the days or nights missed due to forced shutdown by the Government of Ontario COVID-19 restrictions. Below is a chart of the pro-rated refunds being offered to Season Passholders who had a valid 2020-2021 season pass. **Please note** that passholders have a choice of requesting a **monetary refund to the person that purchased the pass OR accepting Lift Ticket Vouchers** that are good for a full day lift ticket for any age and any day of operations during the 2021-2022 winter season.

Passholders are required to indicate which type of pass they had during the 2020-2021 winter season and the type of refund (monetary or ticket voucher) they are requesting. For monetary refunds, a cheque will be mailed to the person that purchased the pass. If lift vouchers are selected, they can be collected anytime during the 2021-2022 season at Hidden Valley Highlands Ski Area Guest Services.

Complete the chart and Passholder information below then send it to [leslie@skihiddenvalley.ca](mailto:leslie@skihiddenvalley.ca) **by April 30, 2021** to collect your refund.
